

Government of West Bengal  
Directorate of School Education  
Bikash Bhawan, 7<sup>th</sup> Floor, Salt Lake, Kolkata -700091

Memo No : 920/(24)-GA  
OM/4/ 2011 (Pt)

Date: 19.07.2016

From : The Commissioner of School Education, West Bengal  
Bikash Bhawan, 7<sup>th</sup> Floor, Salt Lake, Kolkata -700091

To : The District Inspector of Schools (SE), \_\_\_\_\_ (all District) \_\_\_\_\_

Sub : Deputation of Teachers of recognised non-Govt. Aided Secondary and Higher Secondary  
Schools to B. Ed. Course.

Ref:- Memo no 861-SE/S dated 04.07.2016 issued by the Secretary, School Education Department,  
West Bengal and memo no 860/1(4)-SE/S dated 04.07.2016 issued by Joint Secretary, School  
Education Department, West Bengal

In terms of memo no 301-Edn(CS) dated 14.03.2015 issued by the Higher Education  
Department, West Bengal, seats were reserved in the Training Colleges/ respective Department of  
the Universities for untrained deputed teachers of classes IX to XII of the Secondary/Higher  
Secondary schools. So the untrained teachers of class V to VIII of Junior high schools were not  
allowed to get admission in B. Ed Training course on deputation. Besides, in terms of paragraph 1 of  
G.O. no. 982/Sc/G dated 07.03.1979; restriction was imposed to depute more than two approved  
teachers in an academic session in training course. As a result, a good number of untrained teachers  
have been facing difficulties to undergo respective training courses in time.

The issue has been considered by the Government and it has been decided that all the  
untrained teachers of class V to XII of Junior High/High/Higher Secondary Schools will get the  
opportunity to be trained as deputed teachers in the Training Colleges/ respective Department of  
the Universities and also relaxation has been allowed to the effect that the School Managing  
Committee will allow, if situation occurs, more than two untrained teachers, not above the age of 55  
years as on 30<sup>th</sup> June of the year having rendered at least two years continuous and satisfactory  
service against a permanent post or three years continuous and satisfactory service against an  
additional post created temporarily, at a time from the school for undergoing training on  
deputation. In such situation, the school authority may appoint more than two teachers, if situation  
demands, against deputation vacancy following the G. O. No 605- SE(S) dated 20.06.2006.

So, all the District Inspector of Schools (SE) are hereby requested to direct the school authorities  
to allow all untrained teachers of class V to XII of the Junior High/High/Higher Secondary Schools  
having requisite qualification for admission in B. Ed. course on deputation and in this regard the District  
Inspector of Schools (SE) will issue necessary certificate as may be asked by the Higher Education  
Department/ Universities/ Colleges.

This is issued in partial modification of provisions made earlier in this respect. This has  
immediate effect.

  
Commissioner of School Education, West Bengal

Memo No. 920/(1)-GA
